Hard, Selfless, Urgent Work

# DEVELOPMENT BRIEF

## PURPOSE STATEMENT

Prospective employees who watch this will feel ***inspired*** to pursue a career at Lilly when they see that the hard, selfless, urgent work - done by everyone from coders to chemists - is ***worth it*** to help create medicine that makes life better for people around the world.

# MESSAGING APPROACH

---

## **In their own words...**

Drawing inspiration from over fifty hours of raw, authentic employee interviews, we'll draft a script that not only aligns with the current employer brand narrative, but reflects real employee voice at the same time.

## CORE NARRATIVE

---

Come do hard, selfless, urgent work.

The wins aren't shiny. The process isn't easy.

You'll question if it's working.

You'll wonder if it's worth it.

But we show up. Again. And again.

And we do it knowing there's no parade at the end.

Because our wins don't belong to us.

They belong to our patients.

Come work at a Medicine Company.

Join Lilly.
